Aim of the training

- * Trainees have knowledge about the EU laws and guidelines according victims of terrorism.
- * Trainees are aware of the impact and needs of victims of terrorism.
- * Trainees are aware of the importance of a need assessment and know how to assess needs of victims of terrorism
- * Trainees are aware of support initiatives and specialised treatment of victims of terrorism
- * Trainees have an action plan to set out or improve in their own country to support victims after a terrorist attack.
- * Trainees are aware of the risks for victim support workers when supporting victims of terrorism and know how to cope with it.
