VSE General Meeting 2024

Activity Report May – Nov 2024

Future look Dec 2024 – May 2025

How did members benefit from your current work?

- **Identification and communication of project opportunities** with a specific - though not exclusive - focus on national contexts and support of members' project partnerships' creation through VSE's network;
- **Increased level of participation** of members in VSE-led projects;
- **Increased opportunities** for members **to join projects** under new programmes, both within and outside of the EU;
- **Improved strategic coordination** and **shared approach** with members when identifying and pursuing project opportunities;
- Higher availability of **project development** and **implementation templates, guidelines** and **checklists** to members;
- Availability of **new resources** developed through projects, e.g. reports, papers, methodologies, and videos.
