

# VSE EVENTS: September – December 2020

*Dates to be announced soon.*

- ✓ National event (most probably led by Ireland)
- ✓ Regional event
- ✓ Annual Autumn Conference “Bridging High-Tech and Support Services: Victims-Oriented Innovations”

CONFERENCE THEME and STRUCTURE: The programme is built around the idea that using technologies for the benefit of victims across different sectors is essential. We will give floor to innovators who represent (1) generic support, (2) specialist support, (3) police, (4) private sector, (5) education, (6) health sector and (7) justice.

CONFERENCE CONTENT FORMATS: The idea is to use various types of video content that keep people engaged: (1) live video tour to the organization/ behind the scenes, (2) live gadget demonstration, (3) live product walkthrough, (4) live testimonial, (5) live 5-minute lightning talks, (6) live presentation, (7) live Q&A session, (8) live in-person interview, (9) live debate.

- ✓ Leaders’ event/workshop
- ✓ 116 COE workshops
