

# Victim Care Team

**VSE General Meeting 2024**

**Activity Report May – Nov 2024**

**Future look Dec – May 2025**

# Activity Report May – Nov 2024

- Ongoing daily victim support (emails, referral)
- Development of Victim Care Team and VSE protocols
- Revision and evaluation of VSE Referral System (webinar for all members, 28/11)
- Revision and evaluation of Terrorism Response Network (TRN)
- Development of National Factsheets
- Organising and preparing to launch a new initiative, the Victim Platform (6/12 kick off meeting)

# How did members benefit from your current work?

- Assisting with cross-border victimisation, cross-border information transfer for continuous victim support (seamless cross-border information transfer for continuous victim support (VSE referral and TRN))
- Providing of the Country Factsheets (when all are finalised)
- Support to cross-border victims
- Participation in specialised networks like the TRN for enhanced response capabilities

# Future look on activities Dec – May 2025

- Continuation of the revision of the TRN
- Continuation of the revision and further development of the VSE Referral System
- Further development of the Country Factsheets
- Development of the protocols/guidelines for the organisations requesting survivor speakers at the events
- Launch a new initiative, the Victim Platform, aimed at involving victims of crime in shaping the services and policies that impact their lives, through VSE everyday work.

# Meet the team

**Levent Altan**
